

**1.5TGDI high-efficiency engine with 7DCT.**  
The power is abundant and leading in the same class.

Expertly tuned to create a master-level chassis, with leading steering comfort and driving handling in its class.

The 60.4% high-strength steel proportion creates a secure cage-like body structure, providing comprehensive protection for the driver and passengers inside the vehicle.

ACC/AEB/BSL/FCW, assisting drivers in coping with unexpected situations.

- ① **DOW**-Intelligently identify vehicles in the side and rear, and provide alarm prompts when opening the door.
- ② **ACC**-Intelligently identify the vehicle ahead, follow the vehicle to cruise, move, and stop.
- ③ **AEB**-Intelligently identify dangerous vehicles ahead, issue warnings, and actively apply the brakes.

## Basic Information

Exterior Dimensions (L×W×H) (mm)	4825*1870*1758	Curb Weight (kg)	1660 or 1675
Wheelbase (mm)	2830	Tire Size	235/50 R19
Trunk (L)	418、1253、2153	Passenger Capacity	6 or 7

## Motor and Chassis System

Power Train	1.5TGDI+7DCT	Rear Suspension	Torsion beam semi independent suspension
Max power (HP)	184	Emission Standard	Euro V or Euro VI
Max Torque (N.m)	300		
Front Suspension	Mac-pherson independent		

## Exterior Equipment

Panoramic Sunroof	●	Front through-light	●
Power Sensor Tailgate	●	Rear Fog Lamp	●
LED Head Lamps	●	One Button Up&Down for All Windows+Anti-clamp	●

## Safety Equipment

MOTORS

# JS8 PRO

One size larger  
more comfortable

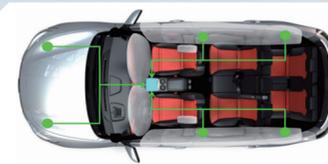

### Panoramic sunroof

Enjoy the blue sky and the vast starry sky at any time

### Larger triple row, the whole family can travel

It offers a larger passenger space than other vehicle, taking care of all occupants

### Equipped with 6 standard airbags

Providing comprehensive protection for all passengers in case of a collision

### Larger trunk

418-2153L flexible trunk storage space to meet different usage needs

### Sensing electric tailgate

Sensing foot kick to open the tailgate, freeing your hands

### All LED headlights

Through the daytime running lights, high and low beams, through the rear tail lamps, rear fog lamps, all LED, safer travelling at night

### "Boundless" front grille

The front face is highly integrated, breaking through the boundaries, presenting a simple but highly impactful large-sized SUV styling for family use

### 24.6-Inch dual screen

Control all vehicle functions, taking a big step towards intelligence

### 360° HD Panoramic image

Equipped with 4 one million pixel cameras, parking is worry-free

- Intelligent knob shift
- Metal wire drawing texture panel
- Physical buttons for A/C control
- 60w fast charging
- Wireless charging for phones
- Independent A/C in the third row
- USB charging in the third row
- Cold and hot armrest box
- Surrounding ambient light strip
